

# Awesome Animals

## Payment and Registration Information

### Cost

The Awesome Animal Summer program is \$110.00 per child. This includes the lab fee (covers the student notebook, snacks, each student's pet betta fish, and project supplies). With 11 hours of class and presentation time, the cost comes out to about \$10.00 an hour for your child to be enrolled in this program.

There is a \$40.00 non-refundable deposit due to reserve your child's spot in the class. All classes fill up each year, and your child's spot can only be guaranteed after this deposit is made. The remaining balance (\$70.00 per child minus any discounts that apply) is due on the first day of class.

### Discounts

There are three discounts available to help save you money:

- \$10.00 discount for each new student you refer to the Awesome Animals Summer Program
- \$5.00 discount is available to students who enrolled in the program last year
- \$5.00 discount per student for families with 2 or more students

### Registration Instructions

**1** Call or email Kendall to check class availability and to save your child's spot in the class.
